

Last April, our GNWC Asia Program campaign resulted in 35 applicants for consideration. At the start of this program in 2017, we sponsored five scholars and its growth to thirty-five scholars has prompted us to faithfully push for sponsors to fund each student's studies for the upcoming school year. It is our hope to sponsor each student fully by June

With the program's goals to ensure a balance in spiritual and academic focus, it is exciting to see GNWC Asia has held an Encounter retreat for students to equip them in their spiritual growth. During this retreat nine students attended and were able to encounter God at a deeper level.

The program's academic achievements include 3 graduates so far and 4 by September.

Thanks to your faithful support, we are able to provide these opportunities for our students and see the fruit of your giving.

We hope you continue your support of the program for the 2023-2024 school year in one of the following ways:

- One (1) Student: \$40 donation per month
- One (1) Student: \$480 one-time donation
- Any financial contribution to support the program

These funds will help support students through the hybrid school system which incorporates both online and in person schooling. Each student is allocated \$40 (2,000p)/per month.

To give financial support, you can do through the following options:

1. Online at <https://gnwchurch.family/sponsorship-program>

- Click the purple button at bottom left and follow the instructions
- Select "Asia Scholarship Program".

2. Mail

- Please make checks payable to "God's New Wineskin Church (Sponsor Program)"
- Send to GNWC San Diego, 9625 Black Mountain Rd Suite 206 San Diego, CA 92126.

Because of the continued growth and expansion of the program, *please consider sharing this information with three friends or family members who would be interested in supporting the program. I would be happy to email the details of the program.*

On behalf of GNWC San Diego, GNWC Los Angeles, and our students, thank you for your consideration to be a channel of His blessings. And if you are unable to support financially, your prayers are appreciated to provide the opportunity for a better future.

God bless you richly!

Sincerely,

Bro Mike Morales  
Program Coordinator  
GNWC Asia School Sponsor
